---

The Recreation Committee suffered through a year in which volunteerism was at an all-time low. A huge THANK YOU to the people who stepped forward to run individual events. Without them we would not have had the Summer Camp, Tree Lighting etc... Please consider giving some of your time to keep the traditions alive (or create some new ones).

**2011 TOWN WARRANT  
TOWN OF MONT VERNON  
THE STATE OF NEW HAMPSHIRE**

Polls will be open from 7:00 AM to 7:00 PM on Tuesday March 8<sup>th</sup> at the Village School to act on Article 1. The remaining articles will be considered at 7:30 PM at the Village School.

**TO THE INHABITANTS OF THE TOWN OF MONT VERNON,**  
In the County of Hillsborough in the State of New Hampshire, qualified to vote in Town affairs:

**You are hereby notified to meet at the Village School in said Mont Vernon, on Tuesday the 8<sup>th</sup> day of March, next at 7:00 of the clock in the forenoon, to act upon the following subjects:**

**ARTICLE 1. Election**

To choose all necessary Town Officers for the year ensuing.

---

**ARTICLE 2. Gifts, Legacies and Devises**

To see if the Town will authorize the Selectmen to **accept on behalf of the Town, gifts, legacies and devises** made to the Town in trust for any public purpose, as permitted by RSA 31:19.

**ARTICLE 3. Borrow in Anticipation of Taxes**

To see if the Town will authorize the Selectmen and Treasurer to **borrow in anticipation of taxes.**

**ARTICLE 4. Increase in Compensation -Town Clerk's Office** "To

see if the Town will vote to raise and appropriate the sum of \$9,900.00, in addition to the line items already existing in the operating budget. Said sum represents an addition of \$5,600.00 for the Town Clerk position; and \$ 4,300.00 for the Deputy Town Clerk position. These increases are for the nine month period beginning March 8, 2011 and ending December 31, 2011.

**(Selectmen Unanimously Oppose)**

**ARTICLE 5. Method of Compensation - Town Clerk**

To see if the Town will vote to change the method of compensation for the Town Clerk from an hourly rate and statutory fee based system to a solely fixed salary. If this article is approved, all statutory fees will be turned over to the Town

Treasurer for the use of the Town.

**(Selectmen Unanimously Oppose)**

**ARTICLE 6. Addition to Conservation Commission Fund**

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (**\$5,000**) to be added to the Conservation Commission Fund previously established under the provisions of RSA36 A:5, for the purpose of purchasing land, development rights, easements, or other instruments necessary for the protection of the natural resources in Town. **(Selectmen Unanimously Oppose)**

**ARTICLE 7. Addition to Fire Truck Capital Reserve**

To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (**\$15,000**) to be added to the Fire Truck Capital Reserve previously established under the provisions of RSA35:1, for the purpose of purchasing or replacing Fire Trucks. **(Selectmen Unanimously Oppose)**

**ARTICLE 8. – McCollom Building Special (Two Year) Non Lapsing Article**

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (**\$40,000**) for the purpose of repair and maintenance of the McCollom Building. This article will be a two year, non-lapsing article under the provisions of RSA 32:7VI **(Selectmen Unanimously Support)**

**ARTICLE 9. Special Purpose, 5 Year Non-Lapsing Article.**

To see if the Town will vote to raise and appropriate the sum of Eighty Three Thousand Seven Hundred Sixty Five Dollars (**\$83,765**) for the reconstruction of Town roads. This article will be a five year, non-lapsing article under the provisions of RSA 32:7VI **(Selectmen Unanimously Support)**

**ARTICLE 10. Impact Fees – Highway Garage (No Tax Effect)**

To see if the Town will vote to authorize the Selectmen to return all Impact fees collected for the Highway Garage project plus interest earned. And to further authorize the Selectmen to discontinue the fund these monies were being kept in. Impact Fee Ordinance to be kept in tact. **(Selectmen Unanimously Support)**

**ARTICLE 11. Impact Fees – Fire Station (No Tax Effect)**

To see if the Town will vote to authorize the Selectmen to return all Impact fees collected for the Fire Station project plus interest earned. And to further authorize the Selectmen to discontinue the fund that these monies were being kept in. Impact Fee Ordinance to be kept in tact. **(Selectmen Unanimously Support)**

**ARTICLE 12. Impact Fees – Library (No Tax Effect)**

To see if the Town will vote to authorize the Selectmen to return all Impact fees collected for the Library project plus interest earned. And to further authorize the Selectmen to discontinue the fund that these monies were being kept in. Impact Fee ordinance to be kept in tact. **(Selectmen Unanimously Support)**

**ARTICLE 13. Operating Budget**

To see if the Town will vote to raise and appropriate the sum of One Million Nine Hundred Thirty Three Thousand Twenty Seven Dollars (\$1,933,027) for the 2011 operating and maintenance budget, exclusive of other warrant articles.

**(Selectmen Unanimously Support)**

**ARTICLE 14. Reports**

To act upon the reports of all Town Officers, Agents, Auditors, Committees, etc. and raise and appropriate any money relative thereto.

**ARTICLE 15. Other**

To transact any other business which may legally come before said meeting.

**Given under our hands and seal, this 14th day of February, in the year of our Lord Two Thousand and Eleven.**

## **Report of Selectmen 2010**

The year 2010 began with a quiet yet moderate winter, which unfortunately led to another wild Spring weather season. Two major Spring storms left our town with several roads washed out and aging culverts in need of replacement. Under the direction of Bucky Grugnale and his crew, we were able to minimize the impact and inconvenience to the townspeople. We would like to thank the entire Department of Public Works for their continued outstanding performance in rectifying such situations in a timely manner. The severe nature of the storms qualified them as “emergencies” under the FEMA guidelines. The paperwork process required for such reimbursements is a tedious one, with this said we would like to thank Laurie Brown for her flawless handling of this procedure.

The Fire Department was successful in finding a pre-owned fire truck, and by using the Capital Reserve fund set up for that purpose and a small amount of Town raised funds, were able to get the 2008 HME Silver Fox into service in July.

During the year Selectman Paul Apple resigned from the Board of Selectmen and Jim Whipple was appointed in his place. We would like to take this opportunity to thank Paul for all his contributions, hard work and years of service that he provided to the town.

After many years of service, Steve Workman, Director of Emergency Management for Mont Vernon, retired from his post. We would like to thank Steve for his dedication and tireless efforts in establishing the emergency management program for Mont Vernon.

I believe I speak for all Town residents in congratulating Keith, Kevin and Greg Pomeroy and their respective families for helping keep Mont Vernon the beautiful, rural town that we all relish. The Pomeroy Farm was chosen by New England Green Pastures Committee to receive New Hampshire’s Outstanding Dairy Farm of the Year award.

Recycling is not mandatory in Mont Vernon. Under the *present* agreement our costs to the Souhegan Regional Landfill are based on population. Under the *revised* agreement, to be voted on at town meeting, the emphasis will shift to recycling. Therefore, our costs will reflect our recycling efforts. Simply stated, the more we recycle as a town the more we reduce our costs. We would like to recognize that over the past few years we have seen great improvement in our recycling program. Continued participation will help both our town and environment.

In a small rural town it is often the community events that bring everyone together. As you think about your time in Mont Vernon we are sure that everyone has a fond memory from a special event. Watching the parade during Spring Gala, trying to keep warm during Christmas Tree Lightning, Trick or Treating down Main Street during Halloween, youth sports activities and movie nights at the Village School. Unfortunately, due to the current lack of volunteers these events are in jeopardy of becoming **just** memories. Each year we ask the citizens of Mont Vernon to consider volunteering for any **one** of the many committees that help our town to thrive. **Please** consider donating even a small amount of time to the committee of your choice.

The Board of Selectmen would like to thank everyone for their continued support. As always our door is open to the interests and concerns of the townspeople.

Regards,  
Jack Esposito

Your Board of Selectmen:

“Jack” John M. Esposito	Chairman
John F. Quinlan, Jr.	Selectman
James W. Whipple	Selectman

## Beautification Committee Annual Report

In support of our efforts to beautify Mont Vernon, our committee received grant money for the third year in a row from the NH Master Gardener's Special Projects Committee. This year's project, **Fire Up the Flowers**, was a collaborative effort with the Fire Department to create color in front of our new Fire Station. Advanced master gardener, Kelly Merryfield, designed low maintenance perennial flower beds and helped implement the plans. With additional support from the town and the Trustees of the Trust Funds, our dreams of beautiful spaces along Route 13 have been realized. Special thanks to the MV DPW, Lou Springer and Kevin Pomeroy for site preparation, Jill Weber for generously contributing plants and to the many volunteers for their planting time and muscle support. This was a rewarding accomplishment for everyone involved. The firemen will be taking over maintenance and upkeep of these gardens and we will offer advice to ensure continued success.

In April, our committee celebrates Earth Day by sponsoring a town wide clean up. Each year more and more citizens join in and it's amazing (and sobering) how much debris can be picked up on the streets and back roads of our small community in a 3 hour period. This year, in addition to collecting mounds of trash, we joined forces with Caroline Morrisette and the MVVS Green Team to educate participants in the proper sorting and disposal of recyclables. For our successful cleanup efforts, *Litter Free NH* rewarded us with 400 free daffodil bulbs. With the proceeds from our bake sale and the selling of daffodil note cards, we purchased another 1,200 bulbs. Our **Daffodils Down Main Street** campaign continues to make spring in Mont Vernon a spectacular event. The grand total of daffodils planted in the village is now seven thousand five hundred!

Other accomplishments this year: planting nearly one hundred day lilies along the stone wall in front of Town Hall, adding perennials and annuals to established garden beds and decorating the town with seasonal décor.

Thank you to all who have supported and contributed to our efforts. Special recognition to: Dick Desroches, Carolyn Dorr-Rich, Peter Ecklund, "Bucky" Grugnale, Cheryl Miller, MV Gardeners, MV PTA, Dawn Reeves, Steve Wilshire of Souhegan Gardens and Amy Wyman. None of what we do for the town would be possible without you.

We have new and exciting plans for the upcoming year and would enjoy sharing our fun with anyone who has an interest in beautifying our lovely village on the hill. Come join us!

Respectfully submitted,

**Susan King Ecklund, Chair**

**Patty Glassman**

**Kelly Merryfield**

Improving Mont Vernon one garden at a time.....

## Mont Vernon Cemetery Trustees 2010

In addition to the normal day-to-day business, trustees of the Green Lawn Cemetery concentrated on three key issues in 2010: water availability, rules and signage.

Bringing water pressure to the cemetery has been an ongoing project and included the drilling and capping of a deep well in 2009 and installing plumbing in 2010 allowing water to be drawn by the public for watering of trees and lot plantings. Plans have been furnished to the trustees for extending the supply to Cemetery Road near gate #3 in 2011.

Over the past several years trustees have collected cemetery rules from many other towns and cities and compared them with our own in an effort to *reasonably* regulate certain activities that tended to diminish the peacefulness and solitude of Green Lawn Cemetery. Several issues with which the trustees have been dealing are animal waste, decorations, benches and plantings. Rules approved July 14, 2010 prohibit animals (except service) and new benches from the cemetery, with revised limitations on decorations and plantings.

Establishing new rules is one thing; another is to communicate them. To this end trustees have printed a RULES brochure available in three brochure holders at the cemetery as well as at the town offices and from the trustees. Metal signs co-located with the brochures provide some brief highlights.

The new cemetery to be developed in the near future will be a major effort for the trustees in 2011 as well as continuing to improve the appearance of Green Lawn Cemetery by stricter oversight.

Trustees –

## **Mont Vernon Conservation Commission 2010 Town Report**

For 2010 our efforts remain focused on land stewardship, with modest improvements to some existing town conservation lands.

Those of us driving to the dump have no doubt taken notice of the exemplary work done by the DPW at Carleton Park next to the Post Office. They cleared the brush from the banks and spread mulch by the roadside. Once again a child can walk the shores and cast a line in the hopes of catching a fish rather than a limb. We owe a sincere debt of gratitude to the DPW crew for their efforts. A special thanks to Julie Bolinsky and the girls of Daisy Troop 10448, who assisted with raking and picking up trash. Proving that no good deed goes unpunished, an exceptionally hot summer coupled with the additional sunlight as a result of the clearing contributed to a splendid algae bloom in Jew Pond! We continue to investigate ways to improve water flow and quality.

The year was one of gains and losses, and not just in the stock markets. We welcomed new alternate member Shelley Brooks, and we lost a dear friend in Russell ‘Russ’ Stacy. Many of the trails and bridges we enjoy in town are the quiet work of Russ and his associates. We will be placing a monument in the Purgatory Falls area to pay tribute to his many contributions to the trails of Mont Vernon.

We include \$5,000 in this year’s budget to quiet the title on a section of the Hebert Town Forest. Aside from this expenditure our budget is significantly less than previous years. We remind the townspeople that as a Town Forest, state law permits the funds from timber harvests to be placed in a Forestry Fund for such purposes, but we capitulated to the will of the Selectmen and put \$47,000, proceeds from a recent timber harvest, into the Town’s general fund. We ask that only a portion of those funds be reinvested in the land from which they came.

The Conservation Fund is our primary source for carrying out our duties, which are in part to: *“purchase the fee in such land or water rights within the boundaries of the municipality...as may be necessary to acquire, maintain, improve, protect, or limit the future use of or otherwise conserve and properly utilize open spaces and other land and water areas within their city or town”* RSA 36-A:4. We encourage existing landowners interested in maintaining their land as open space to contact us to discuss their options. It has been 3 years since we have contributed to the conservation fund. We request your support for a warrant to add \$5,000 to the conservation fund.

Respectfully Submitted,

**5 North Main Street 603-673-7888 [dalandlibrary@comcast.net](mailto:dalandlibrary@comcast.net) [dalandlibrary.wordpress.com](http://dalandlibrary.wordpress.com)**

How often do you use your library?? The library is your community hub. We provide more than just library services. We're not just books. Hundreds of your neighbors checked out thousands of books this year, but they also borrowed DVDs, audiobooks, magazines, and museum passes, used the internet on the public access computer, attended a program, joined a book group, brought their children to the summer reading program, made a floral arrangement for the holidays, came to the knitting and needlework club or came in to get information. You would be pleased at how many of the bestselling books and new movies we do have on the shelves and you might be pleasantly surprised to know that we provide meeting space for several small groups in town, that we collect donations for Neighbor 2 Neighbor, Halloween and various scouting groups and that we have FAX and photocopy services. Through the New Hampshire State Library, we have access to many useful databases including Ebscohost, Ancestry Library, Novelist, Newsbank, Consumer Health Complete and Heritage Quest and we have access to the statewide interlibrary loan system. We borrowed more than 600 items for our patrons this year from various libraries across the state but we also loaned almost 400.

What's new this year? We joined a consortium of libraries across the state to provide downloadable audiobooks and e-books that you can access from home. Through our website, you can download material to your computer and transfer it to a compatible device. All you need is your library card and some time. The library purchased a Moviemate projector and a new screen and the Friends purchased a license so groups can now host movies in the library. With a generous donation from the McKayla Geisinger Foundation, we were able to expand and improve our Young Adult collection.

Activities that continue to be popular include our adult book group that meets the first Monday morning of each month, and Bonkers for Books (our 3<sup>rd</sup> & 4<sup>th</sup> grade book group) and Pageturners (our 5<sup>th</sup> and 6<sup>th</sup> grade book group). Our story time (3 to 5 year olds) and lap time (for those under 3) programs fill up in each session. Super Saturdays, an activity for children ages 6 and up occurs the first Saturday of each month. Teen Times happens one Friday a month to provide our local teens a place to gather and do a group activity. The 2010 Summer Reading Program was a great success – we had over 200 children register and participate in 6 weeks of reading, craft activities and programs. We believe this is one of the easiest ways to keep children's reading skills up over the summer months.

Our thanks to our patrons, the Sophia Daland Trust, the Friends of the Daland Memorial Library and the Milford Hospital Association for their continued financial support. The beautiful Daland Memorial Library building continues to faithfully serve library patrons despite the substantial and ongoing challenges an aging historical building represents. The Daland Trust is extremely supportive in addressing facility issues as they arise and the staff continues an efficient and creative use of building space and resources. The future direction of the library facility will require increased attention from all stakeholders as building maintenance and space issues become ever more pressing in the coming years.

Karen MacDonald, Director  
Cindy Raspiller, John Benjamin & Lise Fleurette, Library Trustees

***Mont Vernon Emergency Management***  
**Annual Report**  
**2010**

***“Major power outage again”***

A state of emergency was declared by Governor Lynch in late February after a significant rain and wind event knocked out power to over 400,000 households across the state of New Hampshire. This was the second large storm to affect the state in the past two years, but this storm was far more widespread than the “Ice Storm of 2008”.

As with the previous storm, the Town of Mont Vernon’s Emergency Operation Center at the fire station was opened to coordinate the cleanup and act as the central point for information. As soon as possible, the proper equipment was brought into town to clear the downed trees from the roads. This allowed the electric utilities crews, brought in from around the country, to restore power as quickly as possible. With over 90% of our town without electricity, we used our new automated phone system, called “CODE-RED” to provide updated information on the status of the storm and the roads. This tool was purchased after the 2008 ice storm to allow us to easily provide information to the people in town during an emergency.

Other items of interest for 2010: We have now completed our FEMA floodplain ordinance for the town. This will enable you to purchase flood insurance. We also have installed a back-up generator at the Police Station, allowing us to have a second emergency operation center.

I would like to thank the townspeople for all the help they have given to me and my staff over the years. I will be retiring after 24 years of emergency services to the town at the end of 2010.

Steve Workman  
Director of Emergency Management

# MONT VERNON FIRE DEPARTMENT

*Pride Tradition Honor*

To Report a Fire, Police, or Medical Emergency: dial **911**

To contact the dispatch center, you can call 673-1414, for immediate but non-emergency assistance; for all other purposes, call and leave a message at the station business phone 673-1383 and a Department official will return your call.

## Fire Prevention

The members of the Fire Department volunteer their time during October as they instruct Kindergarten thru Third Grade on fire safety in the home and at school. This year Heather Crocker, Pim Grondstra, John Hazen, Jay Wilson and Randy Wilson put on programs discussing how to react in a fire, pre-planning your home escape routes, how to call for assistance, and how to assist other people.

As part of insuring your family's safety you should have and practice a fire escape plan and inspect and test your smoke detectors. If you have battery equipped smoke and carbon monoxide detectors you should change the batteries at least once a year and have a working fire extinguisher. Being prepared before you have an emergency is the first step in protecting your family and property.

If you have a fire or suspect a problem, call 911 immediately, fires can double in size every minute. The best way to protect you and your family is to be prepared. You can achieve this by having working smoke detectors, a fire escape plan, and insuring everyone knows what to do in case of an emergency.

## Fire Department Responses

During 2010, our Fire Department responded to 124 requests for assistance. We experienced an increase in Carbon Monoxide responses, power line/transformer incidents, and mutual aid. A few of these incidents included: two building fires (fire was contained to area of origin and room of origin), four hazardous situations/material response; and mutual aid to a 12 hour propane truck rollover in Lyndeborough and multi-acre brush fire in Milford.

Carbon Monoxide Responses	8	Outside / Brush Fire	5
Chimney Fire	2	Power Line Incidents	17
Electrical Fire	1	Service Call	8
Fire Alarm	13	Smoke Investigation:	
Hazardous Material / Investigation	4	-Inside a building	3
Illegal/non-permit fire	9	-Outside	5
Medical Assists	11	Structure fires	2
Motor vehicle crashes	7	Storm Response	4
Mutual Aid	24 (18 were to the scene of the incident)	Vehicle Fire	1

- Illegal / non-permit fires can lead to large woods-brush fires. As a reminder, whenever there is no snow cover, a written permit is required for any outside burning. For an outside cooking or campfire, a seasonal permit can be issued.
- Seasonal permits require an inspection and depending on the size of the fire pit, you must be a minimum of 20 feet away from a building.
- A Service Call is an incident that does not require an emergency response (examples: assist town agency, check building conditions with damage that is not fire related, flooded basements, home lockout)

If a town organization or town civic group would like to reserve the meeting room in the fire station, please call the fire station [at least a month in advance] and leave a message for the Chief at 673-1383. If an emergency occurs and the room is needed, groups will be required to leave the station.

### Capital Reserve and Apparatus / Equipment Grants

- Capital Reserve Funding:

As part of the Department's ability to maintain fire apparatus that are up to date and able to serve the town, we request continued funding of the capital reserve account established for this reason. Based on our 30 year capital equipment management plan, the next apparatus to be replaced will be in 2023. The cost of this truck with equipment is estimated to be at least \$450,000.00.

The capital reserve funding programming has allowed the town to replace aged fire apparatus without large impacts to our tax rate or having to take out long term bonds. This program insures that the Town's fire apparatus is up to date and meets new State and Federal standards. We fully understand the present economic situation that is faced by all of us, but we feel that not presenting a warrant article for your consideration would not be in the best interest of the Town and the Department.

- Apparatus / Equipment Grant:

The Department applied for two grants in 2010.

The first grant was for the purchase of an all wheel drive tanker with pump to assist with water supply, winter responses, and off road incidents. This grant was not approved.

The second grant was for the replacement of the Department's 30 year old hydraulic rescue tools [Jaws of Life], the cost of which is over \$30,000. As of submission of this report, we have not been notified if this grant has been approved or not approved.

The grants the Department applied for over the years have saved the taxpayers of Mont Vernon over \$300,000.00. We continue seek revenue sources that will lessen the tax impact that is faced by all of us.

### Fire Truck Purchase

At the 2010 Town Meeting, a warrant article was approved for the Fire Department and Selectmen to expend up to \$250,000 to seek out and purchase a pre-owned fire truck. We were able to locate one in Kansas and it was purchased from Lakes Region Fire Apparatus. The truck was a 2008 HME Silver Fox and was placed in service in July of 2010. New, this fire truck would have cost \$300,000 to \$325,000.

With the assistance of the Mont Vernon Fire Department Association, we were able to purchase additional equipment and install an ‘on-spot chain’ system. This would not have been possible without the capital reserve, as the impact to us as taxpayers, was \$30,000; as the remainder came from the Capital Reserve Account.

#### Department Training

The Department trains on the first and third Mondays of the month. Trainings consist of live fire training, forestry operations, structural operations, vehicle rescue, building construction, below ground rescue operations, building search and rescue, structural fire operations, and self-contained breathing apparatus.

During 2010, two Department members completed NH State Fire Level 1 Certification, and an EMT- Basic Certification.

If you would like to become a member of the Mont Vernon Fire Department, contact Fire Chief at 673-1383 to arrange for an application. The Department is a call fire department (paid for calls/incidents), we are an organizations made up of citizens, just like you.

#### Board of Fire Wards

Jay S. Wilson

Sean Mamone

Randy Wilson

#### The members of the Mont Vernon Fire Department and Auxiliary

Dave Bellamy, Heather Crocker, Rick Crocker, Bill Davidson, Jim DeWitt, Pim Grondstra, Dave Hall, John Hazen, Bill Johnson, Karen Lindquist, Sean Mamone, Jeff Naber, Brian Parliman, Greg Pomeroy, Kevin Pomeroy, Lucien Soucy, Roger Seacole, Todd Wilkins, Jay S. Wilson, John R. Wilson, Randy Wilson

Linda Barritt, Angela Bellamy, Sara Davidson, Zoe Fimbel, Julie Howard, Dawn Lyon, Deb Medici, Kelly Parliman, Christina Pomeroy, Jessica Pomeroy, Linda Pomeroy, Sharon Soucy

The Mont Vernon Fire Department is an on-call fire department, made up of citizens who respond to assist those in need. We are thankful to our citizen volunteers for continuing to serve as firefighters and the members of the Auxiliary who respond when called to assist the firefighters. Members continue to improve their skills and knowledge as firefighters to meet the challenges of today’s fire service. We thank our members and their families for their continued support and dedication, and we thank all of you for the support you have provided to the Fire Department.

The Department recognizes John Hazen for doing necessary mechanical repairs to the 1952 Forestry Truck. John was assisted by Dave Bellamy, Karen Lindquist and Sean Mamone.

The Fire Department would like to thank Gary LaPlante of Winkle Auto for the donation of a portable pump, and Susan K. Ecklund, Patty Glassman, and Kelly Merryfield for working with members of the Fire Department, Highway Department, and the Pomeroy Farm to improve the ground appearance around the fire station and town hall.

*Chief Jay S. Wilson*

## Highway Department

Tel: 603-672-0055/Fax: 603-673-5995

---

The biggest challenge this year has been the cleanup and road repair from the February wind storm and March flooding.

With the help of some FEMA funding, we were able to complete mitigation work on Upper Brook Road (building it up considerably), Hazen Road (building up a section and installing an additional culvert to accept additional water flow during peak times), and on the paved section of Brook Road, we were able to repair the bridge that was crumbling.

The DPW removed quite a few dead trees and many that were damaged beyond repair by the wind storm.

The flooding accentuated the deplorable condition of many of the Town's culverts, and they were replaced.

Drainage issues at the intersection of Harwood, Cemetery and Kittredge were causing an unsafe condition for school busses to travel over. That whole intersection was reconstructed, from the drainage pipes to the top finish coat of pavement.

The widening of Trow Road was finished this year allowing two vehicles to pass each other with ease.

The pavement on Taschereau and Mason Roads was in such bad condition, it had to be reclaimed and both roads were repaved.

All regular road and building maintenance was carried out, as well as work in the Town Green, Carleton Park, and Greenlawn Cemetery.

Thanks to the residents of Mont Vernon for their continued support.

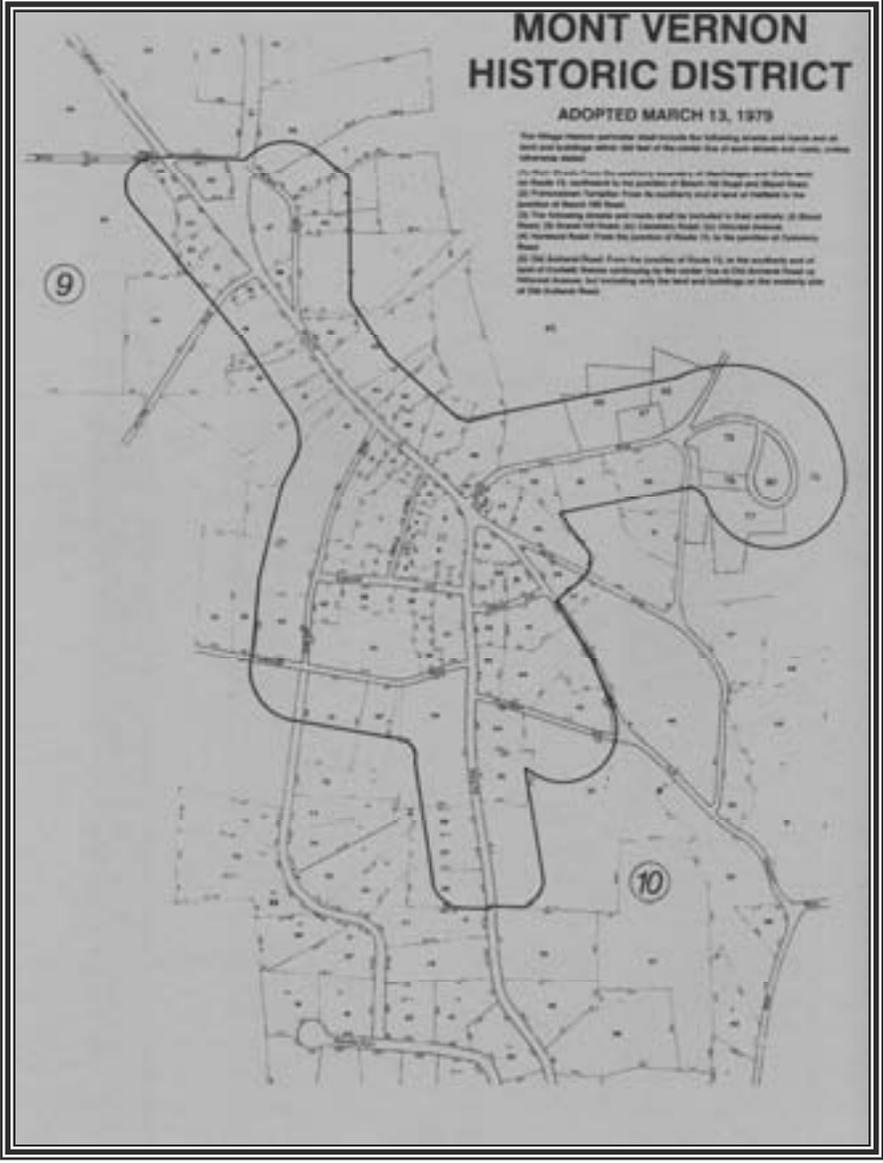

Aquiline "Bucky" Grugnale  
Director of Public Works

# MONT VERNON HISTORIC DISTRICT

ADOPTED MARCH 13, 1979

The Mont Vernon Historic District shall include the following streets and lots and all land and buildings within 100 feet of the outer line of such streets and lots, unless otherwise stated:

- (1) East Street From the westerly boundary of Washington Street to the east of Route 74, northward to the junction of South 100 Street and West Street.
- (2) Washington Turnpike From the westerly end of East Street to the junction of South 100 Street.
- (3) The following streets and lots shall be included in that order: (1) West Street; (2) South and North 100; (3) South Street; (4) North Street. From the junction of Route 74 to the junction of Washington Street.
- (4) Old Soldiers Road From the junction of Route 74 to the westerly end of East of Franklin Street continuing to the center line of Old Soldiers Road at Johnson Avenue, but including only the land and buildings on the westerly side of Old Soldiers Road.

# **Mont Vernon Historic District**

## **Architectural Change Guidelines**

- In kind repairs (residing, re-roofing, replacement of windows etc.) do not require Historic District approval for architectural change.
- All modifications to exterior architecture must be approved by the Historic District Commission prior to actual commencement of modification. New construction must require Historic District approval before construction can begin. It is suggested Historic District approval be obtained before issuance of a building permit or before financial commitment is negotiated.
- A Request for Architectural Change must be submitted to the Historic District Commission for modifications to property as defined on the Historic District map dated March 13, 1979. Application shall be obtained from the building inspector upon issuance of a building permit for property within the boundaries of the Historic District. The applicant shall fill in the appropriate information and return same to “Chairman, Historic District, PO Box 444, Mont Vernon, NH 03057” at which time the chairman shall schedule a meeting at the earliest possible convenience.
- If the Commission deems the modification to have minimal visual impact on the architectural compatibility of the Historic District or if the property is not of a historical nature, approval may be granted at the first approval meeting. If there is distinct visual impact, or if substantial construction is proposed, applicant will be requested to submit a second application where abutters will be notified and a newspaper advertisement will be inserted in the Milford Cabinet at applicant’s expense.
- In the case of disapproval, the Historic District Commission shall provide the applicant with written reasons for disapproval.
- A certificate of approval signed by the chairman of the Historic District Commission shall be forwarded to the building inspector for issuance of a building permit, to the applicant, and shall be filed in the office of the Town Clerk within 72 hours after the approval is granted.
- Any person or persons jointly or severely aggrieved by a decision of the Historic District Commission shall have the right to appeal that decision to the Zoning Board of Adjustment in accordance with the provisions of New Hampshire revised statutes annotated Chapter 677 sections 1 through 14.

## Lamson Farm Commission 2010 Annual Report

With my thanks and appreciation to a group of dedicated town volunteers, the Lamson Farm Commission had a very productive 2010, meeting our goals and objectives for the year.

Continuing to follow our Forest Management Plan developed in 2007, we completed a very successful fourth harvest. The completion of this harvest block in addition to the previous three has now created an area of about 220 acres of healthy and attractive timber stand. In addition to enhancing the health and appearance of the forest, it has generated significant revenue which we depend upon yearly in order to maintain the farmhouse and its surrounding buildings.

Over the previous two years, we focused most of our attention on several structural and some cosmetic issues affecting the farmhouse. We now feel that the farmhouse is secure and tight to the weather and we have begun to turn our attention towards the smaller outbuildings which surround the house. The silo beside the barn was beginning to look more like a windsock than a silo, as it leaned to the south a bit more with each strong gust. It has been carefully repaired and internally braced to keep it plumb for several more years.

One of our commission members, Lou Springer, approached us early in the year about taking on a fifteen year commitment with The American Chestnut Foundation. Lou is the orchard manager for the six American Chestnut trees now planted on the Lamson property which is part of an effort to reintroduce this particular chestnut species which used to be such a common sight in New Hampshire.

Because of ever increasing costs and our wish to keep the day affordable for everyone, Lamson Farm Day is rarely ever a fund raiser anymore for the commission. However it is a day we look forward to each year because so many seem to enjoy the farm and the day's activities. It's also a day that would be impossible to continue to enjoy without all of the time and the effort that so many people contribute year after year. The Lamson Farm Commission is very appreciative and grateful to all those that participated this year.

## Lamson Farm Commission Annual Report Cont.

The commission would also like to say “thank you” to the Mont Vernon Gardeners for all of their time, effort and creativity in maintaining Joanne’s Garden and establishing the pumpkin patch. (We’d also like very much to catch the thieves that stole some of the pumpkins from the patch prior to Lamson Farm Day, as they were intended for small children... not small minds.)

Just as we enjoyed this year, we look forward to blue skies and a warm breeze for Lamson Farm Day 2011 which will be held on Saturday the 24th of September. Hope to see you there.

Respectfully submitted by:

Elliot P. Lyon, Jr. Chairman

On behalf of Lamson Farm Commission members:

Zoe Fimbel – Secretary and Historical Society Representative

Dawn Lyon – Clerk/Treasurer

Kevin Pomeroy – At Large

Earle Rich – Conservation Commission Representative

Lou Springer – At Large

Steve Workman – Vice Chairman – At Large

Position open – Recreation Commission Representative

## **McCullom Building Committee**

The McCollom Building is a significant and historic structure, and one of Mont Vernon's civic "hubs". The building currently serves as our Police Station and Town Clerks Office. The second floor provides rental space. The building is also aging and in need of certain repairs. The Committee was formed in 2008, and its primary purpose is to evaluate and address the current needs of the building.

In 2009, the Committee identified repairs to the bell tower and roof as the next necessary steps (following 2008 repairs to the support columns in the building's basement). The Committee recommended that funds totaling \$80,000 be set aside over a 2 yr. period (\$40,000 in 2010, and \$40,000 in 2011). At the 2010 Town Meeting, a warrant request for the first \$40,000 was approved by the voters.

During 2010, the Committee initially thought that repairs to the bell tower could be completed in 2010, followed by roof repairs in 2011. After reviewing estimates for the work, the bell tower repairs were postponed until 2011 when new bids for the entire scope of work (including both bell tower and roof repairs) would be requested. The rationale for postponing the bell tower repair work was two fold. Firstly, the initial bids for the bell tower repairs were not received until September, which pushed actual construction into the early winter (not ideal). Secondly, it is believed that total costs for both phases of work could be minimized if the work efforts were combined under one mobilization of equipment and resources.

During 2011, the Committee plans to issue a revised request for bids for the complete scope of work (bell tower and roof repairs). Once the new bids are reviewed it is hoped that the work can be completed during the summer of 2011. The town is fortunate that the existing roof on the McCollom Building is not failing, but a casual glance from the parking lot clearly illustrates that this work will soon become a necessity.

In the future, the Study Group hopes to evaluate the need for other exterior repairs, particularly windows, siding and doors. It would also be prudent to review the building's energy usage and costs, and start to formulate a long-term plan for interior renovations to better meet the needs of the town.

Respectfully submitted,

Jim Bannon  
Chair, McCollom Building Committee

Committee Members: Dick DesRoches, Susan King-Ecklund, John Quinlan, Steve Roberge, and Lucien Soucy

## THE PATRIOTIC COMMITTEE ANNUAL REPORT 2010

Our small committee met a few times during the year, with the ongoing commitment to offer our town the reminder of our common patriotism by ensuring that our American flags and military service flags were posted in the village during significant holidays and weather-friendly months.

We are grateful to the volunteers who support our efforts and we express special recognition to the Whipple family for planting geraniums and posting flags at the Veteran's gravesites on Memorial Day; and the Department of Public Works for their assistance in posting the flags on the telephone poles.

Thanks to many years of dedicated effort by Jay Wilson, the condition of the flags and bunting are monitored and replaced as needed.

Our short term goal is to plan a fitting tribute to our Veterans at a 2011 Veterans Day observance in November. Our long-term goal includes presenting a plan to the townspeople for the continual upgrading of the memorial monument lot for 2012—2014 implementation.

As we approach the tenth anniversary of the attack on our nation on September 11, we encourage a renewal of the tangible and heartfelt display of patriotism and support of our troops that was so prevalent following that fateful day.

Respectfully Submitted by Dawn Lyon

On behalf of The Patriotic Committee  
Jay Wilson, Dawn Lyon, Zoe Fimbel

## **MONT VERNON PLANNING BOARD 2010**

Although 2010 was a relatively quiet year for subdivisions, the Planning Board spent their time discussing private and public roads, driveways and multi-family housing. The board addressed public and private roads with two changes to the Subdivision Regulations. The board added language to III-420.9 regarding signage for private roads. The board also added a definition for private roads.

When working on multi-family housing, the board formed a multi-family housing subcommittee consisting of Annette Immorlica, Scott Williams, John Quinlan and David Hall Sr. as a contributor. Although the committee spent several months working on an ordinance, the board decided to propose changes to I-305 rather than an entire ordinance. There was a good turnout from the public at the hearing and many people offered their concerns regarding multi-family housing. In the end, the proposed changes failed with a vote of 1-5. While nothing moved forward in regards to multi-family housing, the board would like to thank Annette, Scott, John and David for all of their hard work.

In September, the Planning Board signed changes to the Floodplain Ordinance that were then submitted to and accepted by FEMA. In November, the board was presented with information regarding the Souhegan Watershed Management Plan from the Nashua Regional Planning Commission. In December, the board met with the director of the UNH Survey Center to discuss options for creating and conducting surveys to help update the Master Plan. The board will focus on updating the Master Plan in 2011.

Although there were not any new subdivisions created in 2010, the board did hear three applications. One application was for the consolidation of lots from a previous subdivision but, ultimately, the application was withdrawn. One application was not continued and an application for a lot merger and lot line adjustment was approved.

**2010 Planning Board:** Wesley Sonner, *chair*; Annette Immorlica, *vice chairperson*; John Quinlan, *Selectmen's Representative*; Jim Bird, *Conservation Commission Representative*; Don Gunter, Paul Lavertu, Chip Spalding and Scott Williams **Administrative Assistant:** Angela Wilson

## PLANNING BOARD ACTIONS IN 2010

- 1/26/10 Conditionally approved a Lot Consolidation plan of the Hartshorn Woods subdivision for David Hall Sr.
- 3/23/10 The Lot Consolidation plan of the Hartshorn Woods subdivision was withdrawn by David Hall Sr. and the board accepted the withdrawal without prejudice.
- 4/13/10 The board held a public hearing on a proposed change to III-420.9 that would require private roads to be posted as such and state that they are not maintained by the Town. The proposed change passed with a vote of 6-1.
- 6/22/10 The board voted not to continue an application for a 4-lot open space subdivision by Bradford Knight.
- 6/22/10 The board voted unanimously to add 'Public and Private' after the section titles in III-420 and III-705 as well as add a definition for private road.
- 8/24/10 Approved a Lot Consolidation and Lot Line Adjustment of Map 10 Lot 35 by Paul and Charlene Curtis.
- 9/14/10 Board approved the changes to the Floodplain Ordinance.
- 11/23/10 Presentation from the Nashua Regional Planning Commission on the Souhegan Watershed Management Plan.
- 12/14/10 Presentation from Andy Smith, of the UNH Survey Center, regarding surveys for the Master Plan update.
- 12/14/10 The board held a public hearing on changes to I-305 regarding multi-family housing. The changes failed with a vote of 1-5.

**MONT VERNON POLICE DEPARTMENT  
ANNUAL REPORT  
2010**

In 2010 calls for service were up only slightly from 2009 levels, which was a watershed year for police activity. Fortunately, reported burglaries were down significantly. This marked reduction is due in large part because members of the community were quick to call the department when they observed unusual activity. We strongly encourage the timely reporting of any suspicious activity to the police department. Thankfully, there was also a marked reduction in traffic crashes, which is a testament to both the department's commitment to traffic enforcement and the citizen's safe driving habits.

This year the department promoted Cpl. Aaron Daigneault to the rank of Sergeant and said goodbye to five-year veteran Officer Wayne Comtois, who left to pursue his career with another department. Part time Officer Rainsford Deware stepped forward to fill the void, which maintained the continuity of service and eliminated the costly search for a replacement. The department also hired two new part-time police officers: Jon Ignazi and Mark Slavin. Jon comes to us from the Hampton Police Department; Mark currently works full-time for another area law enforcement agency.

Retired Milford Area Communication Center Dispatcher Paul Bagley volunteered his time to the department on Monday and Friday mornings. Together with the indefatigable Barbara Whipple who works Tuesday through Thursday mornings, the police department offices were open to the public five days a week.

The department would be remiss if it did not recognize the assistance given to us over the past year by residents Linda Shortt and Dawn Lyon. Linda sponsored the department's Caught in the Act summer bicycle safety campaign and Dawn assisted us by organizing the department's promotional and awards ceremony. We would also like to acknowledge our friend and colleague Steven Workman, with whom the department worked closely with during his long tenure as Emergency Management Director. Steve's retirement from that post is richly deserved, but he will be sorely missed.

The police department also oversaw the installation of a 14Kw generator at the McCollom Building that will provide electricity during power outages. This will insure that the pipes in the building don't freeze, and, coupled with the installation of a two-way radio in the department, enhances our emergency response capabilities.

The Mont Vernon Police Department and the citizens of Mont Vernon continue to develop a solid relationship that will help insure a safer and better community. It is this close relationship that enables the department to better serve the town, and one that we will continue to strive to build upon.

Respectfully Submitted,

Kyle A. Aspinwall  
Chief of Police

## **Mont Vernon Recreation Commission 2011 Annual Report**

2010 was a time of significant change for the Mont Vernon Recreation Commission. The members of the Commission, after devoting countless hours to the town, moved on to other volunteer opportunities after last year's amazing Spring Gala.

Stephanie Vore Apple, Ellen Johansen, Becky and Lloyd Mosher, Jeanette Vinton – and their families – were tireless purveyors of fun for Mont Vernon and their creativity, enthusiasm, and dedication to the community have been an incredible gift to the town.

Unfortunately, since this remarkable team retired from the Commission, no one has stepped forward to fill their shoes. The Commission currently has no members and is need of creativity, enthusiasm and dedication from a new group of volunteers.

Though the Recreation Commission is undergoing a transition, the traditions that make Mont Vernon such an amazing place to live were kept going in 2010 by people who refused to let them slip away.

Coach Roger Seacole let the town's littlest sluggers step up to the plate (and kept the black flies entertained) during Town Ball in the spring.

At Halloween, Denise Brisson and Sue Reith, along with their incredible troop of Girl Scouts, collected hundreds of bags of candy and distributed them to the generous folks in the village who host Trick or Treating each year.

And when resident Lynda Shortt and Fire Chief Jay Wilson heard that no one had stepped forward to plan the annual Tree Lighting, they came to the rescue and planned an event to remember. Rick Crocker, President of the Firefighters Association, offered hay rides on the day of the Tree Lighting. Volunteers from the Fire Department Auxiliary made sure Santa arrived on time, Larry Foster kept the music playing, and Jeff Kibbie ensured once again that the lights on the Town Tree shone brightly.

The traditions that define Mont Vernon, that bring our community together and that remind us that we live in one of the most wonderful places on earth, depend on volunteers to make them happen. Please consider dedicating some of your time to the Mont Vernon Recreation Commission.

Sincerely,

Nancy Foster  
Acting Recreation Commission Chairwoman

**TOWN OF MONT VERNON,  
NEW HAMPSHIRE  
TAX COLLECTOR'S REPORT  
2010**

Property taxes committed to the Tax Collector for collection in 2010 were \$ 6,379,474.00. Of this amount, 94% had been collected by December 31, 2010.

Of the \$ 2,548.23 Timber Yield Taxes committed to the Tax Collector, 100% had been collected as of December 31, 2010.

No Current Use Change Taxes were committed or collected this year.

All property with unpaid year 2008 taxes will be subject to deeding to the Town as of April 30, 2011.

Interest on liened taxes is set by state statute at 18% per annually. Interest on delinquent property taxes is 12% and on unpaid Current Use Tax, 18%.

I would like thank the residents of Mont Vernon for their continued support throughout the year.

Sincerely,  
Sue Leger  
Tax Collector

## REPORT OF THE TOWN CLERK 2010

This year has passed quickly. There are more enhancements are on the way, so keep a watch out for them. I also want to take this opportunity to thank you for your continued support, and may it continue in future years.

Respectfully submitted,  
Jeanette Vinton,  
Town Clerk

## **Annual Report 2010 Mont Vernon Welfare Director**

My first few months volunteering as Welfare Director has been an eye-opening experience for me and I'd like to give you a sense of who you're helping with your tax dollars.

Most of the people I have worked with are simply looking for information. Often they have lost their jobs and are proactively trying to find ways to cut expenses and simplify their living situations before their unemployment benefits run out and a new job can be found. They most frequently ask about health insurance for their children, fuel assistance, mortgage options, and employment resources as they try to find a bit of security for their families.

The people who have sought financial assistance thus far have almost exclusively done so because serious health problems have limited their ability to work.

In some cases, the assistance the town has been able to provide to people with serious illnesses has served as a short-term means of support while they wait for long-term Social Security or Veteran's benefits to kick in.

In other cases, Welfare assistance has allowed people to meet their immediate basic needs like food, shelter and heat until they recover from their illnesses and can return to work.

With the patience and consistent help of former Welfare Director Rich Masters, whose incredibly large shoes I will never fill, I have tried to connect people with the resources they need, though I'll admit it's not often an easy task.

On several occasions, volunteers including Police Chief Kyle Aspinwall, Steve Workman, Karen Ericson, Jeanette Vinton and Belinda Yeaton have stepped forward to ensure that the immediate short-term needs of some of my clients are met at little or no cost to the clients or the town.

With the assistance of Eileen Nabor and the Trustees of the Trust Fund, I have been able to help people cover the cost of prescriptions and doctor's visits. Neighbor 2 Neighbor and the Mont Vernon Congregational Church have aided me in ensuring that those in need have plenty to eat. And Laurie Brown and Joan Brogioli at Town Hall have been amazingly supportive in my efforts to get people the help they need.

Sincerely,

Nancy Foster  
Welfare Director

## 2010 ZBA Activity report

In 2010, the ZBA heard the following cases:

<u>Case #</u>	<u>Date</u>	<u>Applicant</u>	<u>Type</u>	<u>Ruling</u>
01-10	5/04/10	Michele Putnam	Special Exception	Granted
02-10	8/17/10	Lloyd Mosher	Special Exception	Granted

The Zoning Board of Adjustment:

Walter R. Collins	Chairman
Alan MacGillvary	Vice Chairman
Roger Pinchard	Member
Jeanette Vinton	Member
Steve Workman	Member

The Board wishes to thank Judy Briske, who served as an Alternate in 2010.

## **MILFORD AREA COMMUNICATION CENTER 2010**

It is with pride and a deep sense of responsibility that we serve the needs of our member towns; Milford, Wilton and Mont Vernon. Fire, Police, EMS and Highway departments depend on us to answer phones, relay messages, handle radio calls and coordinate all their activities. This partnership and interaction comes into play every time a member of the public requests assistance.

In 2010, the Center handled 30,114 incidents involving police, fire and EMS units. We have also provided hundreds of assistance calls for non-MACC agencies, and innumerable calls for information from the public.

All of us at the Communication Center extend our most sincere thanks to the citizens, Selectmen, and the agencies we work with and serve, for their cooperation and support throughout the year.

Respectfully submitted,

Mark P. Schultz, Director

**End of Official Ballot Vote**

Action on succeeding articles was deferred until 7:30 PM on Tuesday, March 9th, 2010 at the Mont Vernon Village School.

---

Meeting called to order at 7:30 PM.

Prior to voting on the Warrant Articles the Moderator went over the rules and procedures for this meeting.

**Note: Town Meeting Articles and Results - *the moderator requested a show of hands, instead of the traditional ay/nay voice vote, therefore, the vote is recorded as a hands vote.***

**ARTICLE 2. Gifts, Legacies and Devises**

To see if the Town will authorize the Selectmen to **accept on behalf of the Town, gifts, legacies and devises** made to the Town in trust for any public purpose, as permitted by RSA 31:19.

**PASSED BY HAND VOTE**

**ARTICLE 3. Borrow in Anticipation of Taxes**

To see if the Town will authorize the Selectmen and Treasurer to **borrow in anticipation of taxes.**

**PASSED BY HAND VOTE**

**ARTICLE 4. – McCollom Building Special, Two Year, Non Lapsing Article**

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (**\$40,000**) for the purpose of repair and maintenance of the McCollom Building. This article will be a two year, non-lapsing article under the provisions of RSA 32:7VI (**Selectmen Unanimously Support**)

**PASSED BY HAND VOTE**

**ARTICLE 5. Special Purpose (5 year) Non-Lapsing Article. Fire Apparatus**

To see if the Town will vote to Raise and appropriate not more than Two Hundred and Fifty Thousand Dollars (\$250,000.00) (Gross) for the purpose of purchasing a previously owned fire truck; further, that the amount raised and appropriated herein may be used to defray costs attributable to due diligence inspections, needed refurbishment and equipment for the use of the Mont Vernon Fire Department, to authorize the Board of Selectmen, upon unanimous recommendation of the Board of Fire Wards, to purchase such Fire Truck.

We further authorize the Board of Selectmen to withdraw Two Hundred Twenty Thousand Dollars (\$220,000) from the Fire Truck capital reserve fund previously established for the purchase and replacement of Fire Trucks under the provision of RSA 35:1. The remainder, up to Thirty Thousand Dollars (\$30,000) to be raised by taxation. This article will be a five year, non-lapsing article under the provisions of RSA 32:7VI.

**(Selectmen Take No Position)**

Motion to amend the amounts from \$300,000/\$215,000/\$85,000 to \$250,000/\$220,000/\$30,000 – RESPECTIVELY – **Amendment Passed by Hand Vote**

Discussion had on new amounts

Motion to amend the amounts from \$250,000/\$220,000/\$30,000 to \$220,000/\$220,000/\$0 - **Amendment failed by Hand Vote**

**PASSED AS AMENDED BY HAND VOTE**

**ARTICLE 6. Fire Truck Capital Reserve.**

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Fire Truck Capital Reserve previously established under the provisions of RSA35:1, for the purpose of purchasing or replacing Fire Trucks.**(Selectmen Unanimously Support)**

**VOTED DOWN BY HAND VOTE**

**ARTICLE 7. Repairs to Fire Engine #1; 1993 Sutphen**

To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand **(\$27,000)** to be used to refurbish Engine #1, the 1993 Sutphen Pump Truck. **(Selectmen Unanimously Support)**

**PASSED BY HAND VOTE**

**ARTICLE 8. Addition to Conservation Commission Fund**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars **(\$10,000)** to be added to the Conservation Commission Fund previously established under the provisions of RSA36 A:5, for the purpose of purchasing land, development rights, easements, or other instruments necessary for the protection of the natural resources in Town. **(Selectmen Unanimously Oppose)**

Amended from \$25,000 to \$10,000 – **Amendment Passed by Hand Vote**

**VOTED DOWN AS AMENDED BY HAND VOTE**

**ARTICLE 9. Special Purpose, 5 Year Non-Lapsing Article. Block Grant**

To see if the Town will vote to raise and appropriate the sum of Eighty Three Thousand Seven Hundred Sixty Five Dollars **(\$83,765)** for the reconstruction of Town roads. This article will be a five year, non-lapsing article under the provisions of RSA 32:7VI **(Selectmen Unanimously Support)**

**PASSED ON HAND VOTE**

**ARTICLE 10. Operating Budget**

To see if the Town will vote to raise an appropriate the sum of: One Million Nine Hundred Twenty Eight Thousand Two Hundred Ten Dollars **(\$1,901,524)** for the 2010 operating and maintenance budget, exclusive of other warrant articles. **(Selectmen Unanimously Support)**

**Amendment passed by hand vote.**

More discussion based on line items. Amended Line Item:

415010- AMENDED FROM \$45,221 TO \$20,035

415011 – AMENDED FROM \$6,845 TO \$5,345

Thus changing the total budget amount from \$1,928,210 to \$1,901,524

**PASSED AS AMENDED BY HAND VOTE**

**ARTICLE 11. Accept Whiting and the extension of Westgate**

To see if the Town will authorize the Selectmen, on behalf of the Town, to accept Whiting Lane and the extension of Westgate Road as shown on a subdivision plat approved by the Planning Board, provided that such roads have been constructed to applicable Town specifications as determined by the Board of Selectmen or their agents.

**PASSED BY HAND VOTE**

**ARTICLE 12. Petition Warrant Article (as submitted).**

To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President.

***Resolved: The Citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines “marriage”.***

**YES – 83 NO – 69 PASSED BY SECRET BALLOT**

**ARTICLE 13. Reports**

To act upon the reports of all Town Officers, Agents, Auditors, Committees, etc. and raise and appropriate any money relative thereto.

**PASSED BY HAND VOTE**

**ARTICLE 14. Other**

To transact any other business which may legally come before said meeting.

Marilyn Savage got up and recognized Ruth Powers and Roland Smith for all they have given to the town. (See attached recognition)

Richard Masters spoke regarding the tremendous support from the community in helping those in need that reside in our community. He mentioned the Neighbors2Neighbors fund and other works. He indicated that there is a bulletin board where acts of kindness in the community will be displayed. If anyone had any contributions to the board, they should let him know.

Chief Kyle Aspinwall recognized Steve Workman and others for all the work put into the refurbishing of the Police Department as well as the construction of a new meeting room. There is a plaque dedicating the name of the room to be the Workman Meeting Room.

Jeffrey Wall suggested that the Town use the sign board to let people know that the Town Reports are in. The Selectmen indicated they would do so in the future.

Jeanette Vinton moved to adjourn the meeting. It was seconded, and voted.

Meeting adjourned at 11:15 pm.

Respectfully submitted,

Jeanette Vinton

Town Clerk

**MONT VERNON SCHOOL DISTRICT  
ANNUAL MEETING WARRANT  
February 7, 2011 and March 8, 2011  
MONT VERNON, NEW HAMPSHIRE**

To the inhabitants of the Mont Vernon School District, in the Town of Mont Vernon, County of Hillsborough, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at Mont Vernon Village School in said district on Monday, February 7, 2011, at 7:00 p.m., for Session 1 (Deliberation), for the transaction of all business other than voting by official ballot. This session shall consist of the explanation of all the warrant articles and the discussion and debate of warrant articles 2 and 3. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

You are hereby further notified to meet at Mont Vernon Village School on Tuesday, March 8, 2011, between the hours of 7:00 a.m. and 7:00 p.m. to vote by official ballot for the election of School District officers and other action required to be inserted on the official ballot (warrant articles 1 through 2.)

**ARTICLE 1**

To elect all necessary School District officers for the ensuing terms by official ballot vote on March 8, 2011, Mont Vernon Village School, 7:00 a.m. to 7:00 p.m.

- Election of one (1) member of the School Board for the ensuing three (3) years.
- Election of one (1) member of the School Board for the ensuing three (2) years.
- Election of school district treasurer for the ensuing one (1) year.
- Election of school district moderator for the ensuing one (1) year.
- Election of school district clerk for the ensuing one (1) year.

**ARTICLE 2**

Shall the Mont Vernon School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amount set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,726,135? Should this article be defeated, the operating budget shall be \$4,697,620, which is the same as last year, with certain adjustments required by previous action of the Mont Vernon School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XV1, to take up the issue of a revised operating budget only.

Majority ballot vote required to pass.

The Mont Vernon School Board unanimously recommends the passage of this article.

**ARTICLE 3**

To transact any other business that may legally come before the meeting.

Given under our hands at said Mendon this <sup>25<sup>th</sup></sup> day of January, 2011:

REV. 10/10

## Report of the Mont Vernon School Board Chairman

2010 was a year of change and transition for the Mont Vernon School District.

The Mont Vernon School Board appointed Janet Gramatges and John Quinlan to fill the vacancies on the board. We thank them both for stepping forward to round out the board for the 2010-2011 year.

The Village School community welcomed Susan Blair as their newly appointed principal. After serving as the interim principal the previous year, Sue stood out as a highly qualified administrator to lead the Village School in the future. Ms. Blair's enthusiasm, dedication to students, leadership qualities, and vision for the future, while managing the day to day operations of the school has made her a valuable asset to our school.

With thanks to the taxpayers, the Village School has seen some changes as well. The Multi-Purpose Room has received a much needed new floor. The new floor was welcomed by all that use the MPR for varying activities such as gym class, rec. basketball, and volleyball. Another major change at the Village School, are the changes that occurred in the library. With the installation of double doors, between the library and abutting classroom, to create the "learning commons", it has enhanced our opportunities as we continue to implement technology into our student's daily curriculum.

The district is now actively involved in the search for a new superintendent, as Dr. Mary Athey Jennings, announced her plans to leave the district after this school year. Dr. Jennings has been the leader of our district since 2006. We wish her well, and thank her for her endless time and dedication to our school.

This year is the first year that the Mont Vernon School District will not have an annual School District Meeting, as the voters in March 2010, voted for our district to become Senate Bill 2 with official ballot voting. New to many will be the Deliberative Session, as well as voting on the school budget at

the polls. We hope the community will continue to be heard, by attending the Deliberative Session, Public Hearings, and School Board Meetings, as the board strives to maintain the balance of providing an outstanding education while being fiscally responsible in such difficult financial times.

Finally, a thank you, to the teaching staff, administration, parents, residents, and children, who contributed to the continued success at the Village School. Their ongoing commitment and dedication to the success of our future leaders is something we all should be grateful for.

Sincerely,

Kim Roberge

Chair, Mont Vernon School Board

## **SAU#39 Annual Report for the Mont Vernon School District**

Last fall the Mont Vernon Village School opened the year by welcoming interim Principal Susan Blair. Having served as an early childhood educator K-3, a principal for a K-8 elementary school and the assistant principal for the Clark Wilkins Elementary School in Amherst, Ms. Blair offered the Mont Vernon educational community diverse experience. Ms. Blair brought knowledge and expertise continuing the literacy focus of SAU 39 while encouraging her staff to explore new ways to schedule the building enhancing the strong academic focus Mont Vernon has maintained. Literacy and numeracy were central tenants to the many decisions made within the building during the 2009-2010 instructional year.

During the winter months the school community celebrated the success of their academic focus with the release of the 2009 New England Comprehensive Assessment results (state assessment required under the No Child Left Behind Legislation). In just one year the school witnessed an 11% growth in reading achievement and a 10% growth in mathematics achievement. 87% of the student population in grades three through seven were either proficient or proficient with distinction in the area of reading and 81% in mathematics. These scores were above the state average.

The MVVS Instructional Leadership Team played an important role in the progress the school witnessed. This team works closely with the principal and in consultation with staff at the SAU to plan staff development activities, identify appropriate supports for students and ensure curriculums and programs are implemented in the best interest of all children. The team informed staff development opportunities developing the skills of our teachers in the area of differentiated instruction. They identified groups of teachers to receive training from Professor Mahesh Sharma that would ultimately change the delivery of mathematics instruction at the Village School. The Instructional Leadership Team is a strong committee of educators who inform the decision-making process at MVVS.

Last year the school continued the implementation of the Scott Foresman Core Reading Program. A research-based program providing consistent instruction for all K-6 students enrolled in the Mont Vernon and Amherst schools. A representative body of teachers from MVVS participated in Phase 1 of the Mathematics Program Review process. The school's input to this process was invaluable, informing the SAU's vision for mathematics education as well as the

self study report highlighting areas of strength and areas for growth within our current practices.

While celebratory opportunities were abundant our community endured a year of tragedy and deep sorrow. Our sense of safety and well-being was challenged. During this time our community united demonstrating compassion and resilience that was seen, heard and felt. The children of Mont Vernon maintained a sense of normalcy because the community rallied around the small school on a hill.

2009-2010 was a year of celebration and grief. We thank the community for the support they offered during the times that were joyful and sorrowful. The year closed with faculty and staff supporting the nomination of Susan Blair as principal of the Mont Vernon Village School.

Respectfully submitted,

Mary Athey Jennings, Ph.D.  
Superintendent of Schools

**Mont Vernon Village School  
Report of the Principal  
2009-2010**

*"Children are apt to live up to what you believe of them."  
~Lady Bird Johnson*

To the citizens of Mont Vernon, the Mont Vernon School Board and the Superintendent of Schools, I respectfully submit the 2009-2010 Report of the Principal.

It is with pleasure that I present the annual report as Principal of Mont Vernon Village School. Our small village school continues to build its capacity for meeting the ever-changing needs of our students.

In preparation for the 2009-2010 school year, we have hired many highly-qualified professionals to support the educational needs of our students. They include Special Educator; Mrs. Lyndsay Curtis, Music Educator; Ms. Kaitlyn Ballou, School Psychologist; Mrs. Lisa Aulbach, Title I, Mrs. Alice Corbett and Math Consultant; Mr. Scott Prescott. In addition, Mrs. Jen Dillon has been hired for a one year position as a Second Grade teacher and Ms. Liz McCarthy joined us as a Special Education para-educator.

The average enrollment for the 2009-2010 school year was two hundred, forty-six students with a daily average attendance rate of 96.7. This means that on an average school day 97 out of 100 students are present.

The 2009-2010 school year will forever hold its place in infamy in the Community of Mont Vernon. Not only will it serve as a year of tragedy, but it will also be remembered as a year of resilience. To ignore our trials and not mention it in this report would be a disservice not only to the school community, but to our community at large. The community learned many new coping strategies, but many of us discovered unfound skills which provided support and guidance in the face of adversity. We learned that together we can, and that no matter what the circumstance, we have the strength and the fortitude to focus on the ever-changing needs of our students and community. This was extremely evident upon the return of our sixth grade student who exhibited strength, fortitude and grace as she recovered from her injuries and the loss of her mother. The Community's faith in their school and the ability to "carry-on" created a safe haven for all who work and learn at MVVS.

Mont Vernon Village School lost a colleague and a friend to education. Principal Gail Westergren, who served the Community of Mont Vernon as the Principal of Mont Vernon Village School during the 2008-2009 school year lost her battle with cancer on

November 6<sup>th</sup>, 2009. A memorial garden was designed and constructed in her honor just outside the Principal's Office. Mr. Rick Westergren donated a granite bench in his wife's honor which is the focal point of the garden.

Even during a taxing time, Mont Vernon Village School remained strong and focused on the social-emotional, physical and academic needs of our students. In January, the school was not identified as a School in Need of Improvement. MVVS remains as year one SINI/DINI District. Mont Vernon Village School's Guidance Counselor, Mrs. Barbara Belak was honored and selected as Elementary School Counselor of the Year. Mrs. Belak's dedication was recognized at the NH "EDies" in June.

Staff development continues to focus on building capacity as learners of literacy, as well as building knowledge and expertise in the areas of differentiated instruction and data informed decision making. Mont Vernon Village School is the first of the SAU 39 elementary schools to support and fully implement the core reading program, Reading Streets. This adoption works to build consistency of expectations across all grade levels while teaching common vocabulary and implementing common strategies in instruction and assessment.

In mathematics, The Village School has utilized their SINI/DINI Plan as the foundation for improvement. Staff has worked collaboratively to learn and understand the effectiveness of teaching foundational skills, such as automaticity of math fact knowledge in the four operations (addition, subtraction, multiplication and division). Essential to our success has been the need for a significant change in our school culture and climate. Our goal is to create a culture of continuous improvement through a collaborative approach using common language/common strategies while recognizing that we are stewards of all learners. In addition, the SAU has begun the process of Mathematics Program Review. The goal of the Committee's work is to exam what is happening in mathematics instruction throughout the three Districts and make recommendations regarding the delivery of instruction and accountability in mathematics.

No matter the size, a school needs the support of its community. We would like to thank our Community for their continued support. We thank our parents and PTA who, on a daily basis, work with us to engage, support and challenge our children as we work to improve instruction, enhance and solidify student knowledge and understanding, while improving student outcomes. We thank you today, but some day so will your children!

Sincerely,

Susan A. Blair  
Principal

**INDEPENDENT AUDITOR'S REPORT**

To the School Board  
Mont Vernon, New Hampshire School District

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Mont Vernon, New Hampshire School District, as of and for the year ended June 30, 2010, which collectively comprise the District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Mont Vernon, New Hampshire School District, as of June 30, 2010, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis, budgetary comparison information and the schedule of funding progress for other post-employment benefits on pages iv and 19-22, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Mont Vernon, New Hampshire School District's basic financial statements. The combining non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining non-major fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Mont Vernon School District Meeting  
March 12, 2010  
7:00 P.M.  
MVVS Multi-purpose Room

**Attendees:** School Board: Jayson Dazula, Trevor Girard, Bruce Schmiel, Kim Roberge, and Leo White

**SAU Members:** Dr. Mary Jennings, Sue Blair, Elizabeth Shunkel, Renea Sparks, Karen Taylor, Nicole Henwick, Bruce Claskin, Jim Miner, Nancy Maguire

**Moderator:** Barbara Millar **Clerk:** Patrick Steenhoek

Call To Order 7:00 by Barbara Millar

Pledge of Allegiance

Invocation

Introductions

Reading of the Rules

**Article 3 - To see if the Mont Vernon School District will vote to raise \$46,528 to fund the first year of expanded health insurance benefits for the MVVS Para-professional staff; said benefits to be included in the operating budget in subsequent years.**

**Moved by Leo White Seconded by Kim Roberge**

Jayson Dazula explained the need for giving the support staff these benefits

Tom McKinney, Kitterage Road spoke out against giving these benefits because of the current economy.

Willard Archibald asked what would be the cost if the support staff took the full family plan. He felt that we are setting ourselves up to a lot of costs in the future.

Lea. Hayes - Spoke out in favor the benefits.

Zoe Fambel asked if the para professional are full time employees.

Leo White acknowledged that they are.

Silcen Naber asked if the paras are getting a raise

Leo White explained that they were getting an increase of 1.5%.

Steve Wilkins asked for info on the benefit package

Leo White explained the coverage that would be available for a single, married, and family plan.

Eileen Naber asked if there is a buyout for those that do not take the coverage.

Leo White - Yes

Jean-Marie Wall asked if the paraprofessionals have any coverage.

Jayson Harris explained that they can have only a single person policy.

Trevor Girard explained that there is always the possibility of employees picking up the insurance instead of keeping what they already have.

Kim Roherge explained that the board was split but put forth the article because other districts offer the coverage.

Jeff Wall asked what the buyout is.

Leo White said buyout is \$1000

Larri Hayes pointed out that some would currently have to pay all of their salary to pay for a family plan.

**Article 3, Article 3 - To see if the Mount Vernon School District will vote to raise \$46,518 to fund the first year of expanded health insurance benefits for the MVVS Para-professional staff, said benefits to be included in the operating budget in subsequent years.**

**Article Carried**

**Article 4 - To see if the Mount Vernon School District will vote to discontinue the Mount Vernon School District Land Capital Reserve Fund created under the provisions of RSA 19B-20: e in March, 2002. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Mount Vernon School District's general fund.**

**Moved by Leo White Seconded by Kim Roherge**

Kim Roherge explained why the board wants to return the land fund back to the taxpayers. She indicated that there were no plans at this time to build another school because of the 10 year deal that was negotiated with the Amherst School Board last year for tuition into the middle school.

Eileen Naber asked when it will be returned.

**Leo White moved to amend the article by adding the words, "within two weeks of this vote".  
Seconded by Kim Roherge.**

Eileen Naber asked if two weeks would be enough time.

**The vote on the amendment carried.**

William Archibald asked if the money would go into the building fund

Leo White explained that legally it had to be returned to the taxpayers but the building fund could be adjusted separately.

Jeff Wall asked why the budget committee was against this article

Joe Plurte said the Committee felt that the money would not be guaranteed and the school could use it for anything else.

Kim Roberge explained that the board was hoping that it could just be dissolved but they had to handle it this way. If the money is to be used for maintenance then money can be added in the operating budget.

**Sue Graffoni moved the question Dave Belamy seconded**

**Article 4 - Amended as follows:**

**To see if the Mont Vernon School District will vote to discontinue the Mont Vernon School District Land Capital Reserve Fund created under the provisions of RSA 198:20; e in March, 2002. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Mont Vernon School District's general fund within two weeks of this vote.**

**Article as amended Carried**

**Article 5 - To see if the Mont Vernon School District will vote to raise and appropriate up to \$30,000 to be added to the School Property Maintenance Expendable Trust Fund (established in March, 2007), with such amount to be funded from the June 30 undesignated fund balance, (surplus), if available on July 1, 2010.**

**Moved by Leo White - Seconded by Kim Roberge**

Leo White presented the reasoning for the money in this fund. He showed a list of areas that will need to be addressed in the coming years such as the MPR floor, Upgrade to the DDC Control System, Asbestos removal, well water supply failure, Window and door replacement, and HVAC Unit replacement.

John Quinlan asked when the MPR floor will be replaced.

Leo White indicated that there was a lot of rotting wood underneath and that they would prefer to do it sooner than later.

**John Quinlan moved that the number be changed to 61,000 by adding \$31,000. Seconded by Joe Fluette**

Trevor Lizard was in favor of raising the amount to \$61,000

Kim Roberge said that her fear is that we would do all outstanding projects right away.

Tom McKinney asked if any of these items are due to fail in the next 5 years

Jim Miner explained that the MPR floor should be done sooner than later. Upgrading the DDC control system will save money with reduced heating costs. The asbestos is in the oldest wing but is not critical. First three items need to be addressed in the next 5 years

Mike Patchel feels that having that money in a fund is a good idea. This prevents us from taking out bonds.

**Amendment to add \$31,000. Carried**

**Article 5 – Amended as follows:**

**To see if the Mount Vernon School District will vote to raise and appropriate up to \$61,000 to be added to the School Property Maintenance Expendable Trust Fund (established in March, 2007), with such amount to be funded from the June 30 undesignated fund balance, (surplus), if available on July 1, 2010.**

**Article as amended Carried**

**Article 6 – To see if the Mount Vernon School District will vote to create an expendable trust fund under the provisions of RSA 198:10-c to be known as the Tuition Expendable Trust Fund, for the purpose of paying Amherst Middle School tuition for Mount Vernon students. Furthermore, to raise and appropriate \$1.00 toward this purpose and to name Mount Vernon School Board agents to expend this fund.**

**Moved by Len White. Seconded by Kim Roberge**

Eileen Naber spoke out against setting up the fund because it would cost more to maintain the fund if it was created with only one dollar.

Jason explained that with the fluctuations it makes it hard to establish how many students will actually be sent year-to-year to Amherst. This fund will cover those situations where more students are enrolled in 7<sup>th</sup> and 8<sup>th</sup> grade from Mount Vernon than budgeted for. The hope is that the board will not have to come back to the taxpayers to ask for more money because the cost of tuition was higher than expected.

Kim Roberge pointed out that if we are an SB2 town, and if the budget does not pass then we would have to go to deficit spending.

Eileen Naber moved the question. Seconded by Steve Killman

**Article 6, Failed**

**Article 2 - To see if the Mont Vernon School District will vote to raise and appropriate the sum of \$4,544,485 for the support of schools, for the salaries of school district officials, and agents and for the payment of statutory obligations of said district. This article does not include appropriations voted in other warrant articles.**

Moved by Leo White Seconded by Kim Roberge

Barbara Miller begins to read through the true items of the budget.

Nicole Martin moves to change line 4 to \$795,297 by adding \$16,809. She was asking for the Spanish teacher to be moved from a .6 employee to Fulltime.

Seconded by Jim Hendrickson

Kim Roberge explained that having our students better prepared for Spanish than the Amherst students meant that the curriculums were not matching up and was causing problems with the teacher's ability to meet the needs of the Mont Vernon students.

Wesley Saunder asked what the impact is on FICA and benefits.

Jeff Wolf said he liked that the students have Spanish but we need to focus more on the math and science

Leo White said that increasing this to a fulltime would make scheduling hard.

Judy Marie Wolf asked Sue Blair if it is feasible to add the fulltime Spanish.

Sue Blair said that it could be done but it would take some creative scheduling and having more interdisciplinary units in the classroom

LeeAnne Steenlock explained that Spanish acquisition increased students' fluency in all other areas of education and that the Spanish instruction can only help our test scores.

Eileen Naber moved question. Seconded by Tom McKinney.

**Amendment Failed 43 to 52**

Tom McKinney moved to amend line 4 by \$60,000. Seconded by Mr. O'Brien

Tom McKinney said that looking at the number of students, he felt that we had one too many teachers and that one of the classes could be combined in order to save some money.

Margret Alpine explained that being a first grade teacher with 27 students makes it impossible to meet the needs of the students.

Zoe Fimbel felt that the class should be consolidated

Barbara Bellpami explained that she once had to teach 26 students in 1<sup>st</sup> grade and that it was impossible to meet the needs of the students and that in previous years her other classes with fewer students greatly outdid the students in that large class

Tom McKinney explained he had not meant that the teacher had to be the first grade teacher. He felt that the existing 6<sup>th</sup> grade class could be combined to make a class of 32 and that we have a teacher with 30 years of experience that can handle 32 kids.

Zoe Fimbel wanted to know where and in what classrooms the paraprofessionals are assigned. She wanted to know why one of them couldn't be assigned to the 6<sup>th</sup> grade class to help the teacher

Jayson Dorula explained that the paraprofessionals aren't available to go into any classroom. The paraprofessionals are hired and assigned to work with specific students as per their Individual Education Program (IEP) and that with only 7 positions the district does not have any floating assignments.

Sue Granfors supports the school board as they deliberated teacher positions throughout the year.

**Sue Granfors moved the question. Eileen Naber seconded.**

**Amendment to reduce the 4 by 60,000, Failed**

**Kim Roberge moved to restrict consideration on the 1100 budget series**

**Seconded by Leo White**

**Motion to Restrict Consideration Carried**

Jeff Wall asked why there is a 41% increase for the school psychologist.

Leo White explained that her salary based on the teacher contract is higher than what they had budgeted for last year.

**Kim Roberge moved to restrict reconsideration on the 1200 series**

**Seconded Sue Granfors**

**Motion to restrict reconsideration, Carried**

Jeff Wall why is there an increase in health insurance for the nurse.

Leo White explained that they were not allowed to discuss this issue because of the HIPAA Privacy Rule.

**Tom McKinney line 198 Amend the line 24,000 to 14,000.  
Seconded by Eileen Nabor**

Tom McKinney indicated that the fund for teacher professional development was never completely used, so it should be reduced.

Bruce Schmidt explained that it is a contractual issue and that the teachers have had trouble accessing funds. He said that the teachers were having trouble utilizing the funds when they did summer coursework or professional development, but that had been addressed.

Jedymarie Wall asked where the extra money in that account went to at the end of the year.

Jack Esposito explained that the money is returned to the General Fund and is used to offset taxes for the taxpayers the following year.

**Motion to reduce line 198 to \$14,000. Failed**

**Kim Roberge moved to restrict reconsideration on the 1300 and 1400 series  
Seconded Sue Granfors**

**Motion to restrict consideration, Carried**

**Kim Roberge moved to restrict reconsideration on the 2200 2300 2400 2600  
Seconded Eileen Nabor  
Motion to restrict consideration, Carried**

**Tom McKinney moved reduce line 358 from \$16,300 to \$14,300  
Seconded by Jeff Wall**

Bruce Schmidt explained that the money is needed in case the switch over from the T1 line does not go as expected.

**Motion to reduce line 358 from \$16,400 to 14,300. Failed**

**Kim Roberge moved to restrict reconsideration on the 2700, 2800, 4200, and 5200 series  
Seconded by Sue Granfors**

**Motion to restrict consideration, Carried**

**Total budget \$1,844,485**

Article 2 - To see if the Mount Vernon School District will vote to raise and appropriate the sum of \$4,544,485 for the support of schools, for the salaries of school district officials, and agents and for the payment of statutory obligations of said district. This article does not include appropriations voted in other warrant articles.

Article Carried

Article 8 - To hear the reports of officers, agents and auditors, and to take action with reference thereto.

Moved by Leo White seconded by Kim Roberge

Article 8 Carried

Article 9- To transact any other business that may legally come before this meeting.

Moved by Leo White

Article 9 Carried

Meeting adjourned at 10:00 pm

Respectfully submitted

Patrick Steinhock  
Mount Vernon School District Clerk

revised  
5/6/2010
